'Surprise Package'

This hilarious play is set on the Spanish island of Formentera in the 1970's at the 'Pension Maria', a small hotel overlooking the sea. The Tinsley family from England, comprising father, mother, son and grandma, arrive for their summer holiday to find the hotel staff speaking mostly Spanish, an annoying German guest, plus the usual problems of foreign loos, dodgy water and local cuisine. Add to this the appearance of unexpected guests, a storm, leaky ceilings, a shortage of beds and problems with grandma's false teeth, and the scene is set for a truly farcical comedy.
