

'CURTAIN UP'

'Curtain Up' is a hilarious story of five women who inherit equal shares in a dilapidated theatre and plan to bring it back to life again. They try various fund-raising schemes but their most ambitious is to hold a concert featuring local talent and a world-famous star, who agrees to appear for no fee! However their plans gradually unravel and, as the day of the concert approaches, it becomes a question of how to keep the show on the road without the audience guessing the truth of the matter!
